Our GMC wrestling tournament is this Saturday. This is the first time Delhi has had their own wrestling team in 5 years! We have 25 wrestlers which is amazing! All of them are first year wrestlers except for 2! We have taken some lumps this year as we grow our program but have seem great improvement!! We are hoping a few may place at the GMC tournament!

Our basketball teams are also gearing up for tournament time! The records are all due tonight and the tournament starts next Thursday. We have not had winning seasons but are hoping to pull off some first round upsets!

**BMS –**

AquaScots finished a very strong and successful season on January 7, 2017.

During our regulation dual meet season, we finished undefeated.

We finished a very strong 5th place overall in the Jr. High Championship meet - our highest finish ever.

We had a lot of personal best times posted at our championship meet as well.

Way to go AquaScots!

The 7th grade Bridgetown girls have played hard all season, fighting through a tough GMC schedule. Our record stands at 9-4. The girls beat both Delhi and Rapid Run in the Oak hills district, but also had big wins over Mason, Liberty and both Fairfield teams which usually dominate the GMC. We 1 game left against Hopewell, a Lakota East feeder, next Tuesday. Hopefully we can end our regular season 10-4. Our team is lead by Courtney Dean, Abby Cole, Jaide Wardwell and Regan Feldman, all future Highlanders. We hope to build momentum going into the GMC tourney next Thursday.

**RRMS –**

Attached are the brackets for the GMC Basketball Tournaments. We are hosting 7th grade basketball at Delhi and Rapid Run and we are hosting 8th grade girls at Bridgetown and Rapid Run. We also have the finals for all four tournaments at Rapid Run on Saturday, February 11th. Hopefully one or more of our Oak Hills teams make it that far.

**7th Grade Boys basketball**

The 7th grade boys team is currently 10 and 4. Three of their losses coming to the top three 11-1 teams in the GMC. The team hopes to use the home court advantage of Rapid Run to go deep into the tournament. The team finishes up the regular season at Mason today. It would be huge if the Rams could go to Mason twice and get 2 wins in the same season. The team then plays the number 11 seeded Middletown on Saturday, 2/4 at 9 am at Rapid Run to begin the tournament.

### **8th Grade Boys Basketball**

The 8th grade boys basketball team is currently 12 and 2 and like last year received a #4 seed in the GMC tournament. The team made it to the finals last year and hopes to go "one more" this year as that has been their slogan all year. Not only are the 8th grade players playing well on the court, but they are excelling in the classroom as well. Adonis Caneris, Max Roberto-Bailey, Austin Dennis, and Ryan Dew have all received student athlete of the week recognition so far this winter sports season. Good luck to the team as we hope to see them playing for the GMC Championship at Rapid Run on Saturday 2/11.

### **7th Grade Girls Basketball**

The 7th grade girls started out the season with a 6 and 1 record. The team has stumbled a bit in the second half, but received a #7 seed with a 9 and 4 record. The team travels to Mason tomorrow to end the regular season and then goes back on the road to Plains on Saturday for the GMC Tournament. The ladies open with Hopewell and if things go according to plan will have an opportunity to play Princeton. Princeton dealt the team their first loss of the season.

### **8th Grade Girls Basketball**

The 8th grade girls team has been dealing with illness and injuries the entire season. The team has played several games with 5, 6 and 7 players. When the full roster is healthy we only have 8 girls this year. This has made it tough competing against teams with 13 on their roster, but the girls have been able to compete and currently have a 7 and 7 record. One of those victories coming against Plains in overtime. The reigning champs and a team that hadn't been defeated in two years. This game shows that when healthy this team can compete with anyone in the GMC.

### **Wrestling**

The wrestling team had an excellent season despite several injuries throughout the year. The team scores weren't always the best as we were not able to fill all of the weights, but the wrestlers worked hard and improved throughout the season. The following athletes were able to place at the GMC this past weekend.

80 pounds Gus Luegering placed 6th  
86 pounds Dan Claypool placed 5th  
110 pounds Ethan Ruben placed 6th  
128 pounds Issah Hopkins placed 3rd  
160 pounds Lucas Stoddard placed 2nd  
205 pounds Dominic Moore placed 6th

### **OHMS Swim and Dive Team**

The Oak Hills Middle Schools Swim and Dive team had an excellent season. They also had a very large number of participants. One of the largest middle school teams ever at Oak Hills. The team also had the best finish of any middle school team at the junior high championships. Attached is a write up from Coach Schott.

Your AquaScots finished a very strong 5th place at the Jr. High Championship this past Saturday. The highest finish ever for our team.

Rapid Run finishes:

Nathan Wall - Medley Relay 3rd, Free Relay 4th, 500 Free 2nd, **1st place 100 Breast**

Anna Tiernan - Medley Relay 3rd, Free Relay 4th, **1st place 100 Fly**, IM 3rd

Cade Grimmett - Medley Relay 13th, Free Relay 13th, 50 Free 7th, 100 Back 8th

Claire Bryan - 25 Back 9th
